

SCREEN SYSTEMS – EO

SHEPHERDS SCREEN SYSTEMS • DESIGN • SUPPLY • INSTALL EO

E.O. System

The eo: system is not only simple to use, it is easy on the pocket book. With its sleek, contemporary styling and high quality workmanship, the eo: system is built to last, so your investment today will serve you through tomorrow and in the years to come.

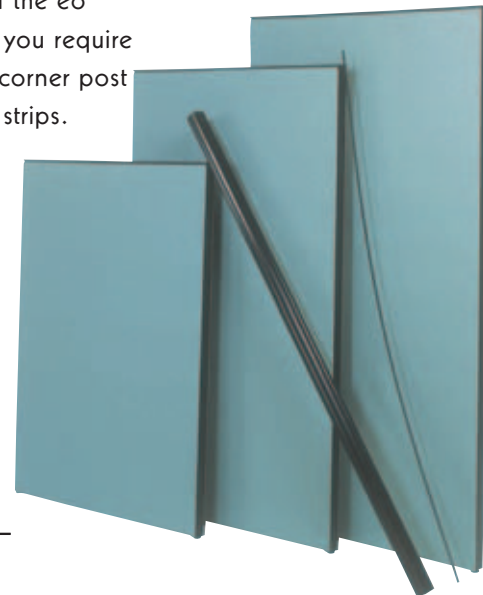

- Lightweight and mobile components fit together easily.
- Modular components allow you to create all the work surface, privacy and storage space you need.
- Sleek, contemporary styling and high quality workmanship.

Eo system is extremely simple to use.

The simplicity of the eo system. All that you require is the panels, a corner post and connecting strips.

eo panels can be purchased as separate items to give privacy to any office situation.
