

REFUND POLICY

Please choose carefully.

We do not give refunds if you simply change your mind or make a wrong selection.

You can choose between a refund, exchange or credit where goods are faulty, wrongly described, different from a sample shown to you or do not do what they are supposed to.

Any product returned must be accompanied with:

The original invoice.

The original packaging

The product must be whole, not in disarray.

Return freight must be paid for by the buyer. Should there be a successful warranty claim, freight will be reimbursed.

We will inspect the product, and should the product be damaged in anyway, or not in its original condition, we reserve the right to dismiss the claim.

Should any item be returned to stock, you will be charged a restocking fee. Our minimum fee is \$40 per item. A further delivery fee will apply if we have to pick up the goods. Our fee increases in proportion to the price and size of the product.
